\$5,750	\$5,635	\$2,875	\$575	\$522.73	\$479.17

SCS Tuition Includes:

Curriculum and textbooks, most instructional materials, student supplemental accident insurance, Kindergarten snacks, student planners (Grades 2-8), classroom activity fees, and most field trips/learning activities, etc.

Incidental Expenses (not included with SCS Tuition):

Examples: School Lunches, Registration/Application Fees, FACTS Plan Service Fees, Before School/After School Program Fees, Athletic/Extracurricular Fees, NIV Bible (from SCS Office, Grades 2-8), Online Course Fees, Instrument Rental, and Yearbooks, etc.

The FACTS system may limit available plan choices outside of a certain date range. If your desired plan is unavailable, select the plan closest to what you need. Then, after completing this part of the process, please contact Mrs. Andrea Hammond, SCS Finance Coordinator, and she will work with you to make possible adjustments.

SCS offers scholarship assistance for families with demonstrated financial need. Families will be required to send financial information to FACTS Grant & Aid, a third-party partner. FACTS then makes a recommendation to SCS regarding financial need as part of a confidential report outlining each applicant's financial situation.

Please keep in mind that payment plan amounts will not reflect scholarship awards or Before School/After School Program (BSP/ASP) weekly plans. Once you've completed SCS Online Registration, the SCS Office will add approved awards and any BSP/ASP selections to your payment plan.
